Rose darling,

This letter comes by ~~air~~ ^{air} mail to you,
the only surviving member of the entire
family and was addressed to Judge Sevier.
Rifkind who is at present assisting Eisenhower
with the problems of Jews in the American
occupied zone. Rifkind is himself from
~~Kreis~~ ^{ref} 13-53 and he forwarded this
letter to his father in Aug.

I don't know to tell you how comforted
it is for you to communicate with my Uncle
at once and get him to send this
letter address to Mrs. Mary Dennison
540 Southern Blvd., Bronx 55 6615.
She is the one who brought the letter to
me. She is 72 years old now. She remembers
you and is sure you know her.

Forsby do it at once. This kid is one
of the very few left of the entire family
population.

Please forgive for not having written by now
for so long. The truth is old. I tried and tried
and am chasing over emergency after it all
will cost to you so much.

Rifk is in my house waiting for it been to go up.

P.S.

Get ~~your~~ Mr. D. to send the address of
her brother. Judge Rykay is expected home
soon, and he is anxious to help this
kind.

For your own good I would advise you to get in touch with the
people who are most likely to be interested in your
case. You can start by writing to the local newspaper,
the Times Herald, and asking them to publish a story
about your case. They may be able to help you find
a lawyer or a doctor who can assist you. You can also
try contacting the local police department or the
district attorney's office. They may be able to
provide you with information about your case and
offer you legal advice. It's important to take steps
to protect yourself and your family. Stay safe.

Ferenwald. This is a copy of the letter
forwarded by Judge Riffendell to her
father Schenck
