Dearest Irving -

This may not reach you at the address to which I'm sending it as I notice in your letter that you may be transferred in a couple weeks - and that was some time ago. I hope you know what you are going to do by this time as it's so unpleasant to be sitting on needles and pins all the time.

You'll be surprised to hear that I'm planning to go home about the middle of Dec. for a couple months. Am getting a leave of absence. I surely am anxious to be there and see all the family. Wish you could come home, too.

I haven't seen Jerry or talked to him for some time but will call him this week for sure. I guess he's busy and I have been, too.

Sorry it's so dull where you are but maybe you'll be sent to a better place next time. Save your money for a big blow-out when you get the chance.

Sid is still coming home every week  
end and it's nice having him around.  
I'll miss him while I'm in Santa Fe  
but guess Millie and the boys will  
pretty much make up for it.

What kind of Chapel do you go to? Is  
it Jewish or Gentile? I guess neither  
one would hurt you any, since you've  
had no religious training. But I'd  
prefer it if you learned a little of  
your own - just to know what it's  
all about.

I've owed Sid Hartog a letter for  
ages and will write him today. Guess  
he's still working hard but his  
training will soon be over. Hate to  
think of his being sent over seas.

Write me at home, honey, 1018 Don  
Diego.

Love,

Marcia
