Dearest Sonya:

Well dear here I'm again  
just a few lines to let you  
know we are both OK and  
hope you are enjoying  
good health & spirits. We  
went on a shopping spree and  
dad got two suits in Albuquerque  
as he couldn't get any at  
Moore's. I ordered a suit from  
our Buyer but who can tell  
when I will get it.

This afternoon I'm going  
to the Scottish site to practice  
for Grand Chapter as I'm  
going to be in one of the ~~Matches~~  
Matches they are going to have  
for the new Grand Worthy Master  
and I like her so I decided to

be in it.

Whats new with you  
my sweet trust you are  
OK and that the new Base is  
nicer than the last one.

We hope Jerry will be here  
the end of the month I will  
be a treat for us to have  
him home with us and pray  
the time is not too distant before  
you will also join us

Had a letter from Pearl  
she said she had a letter  
from you & will write you

Keep well my dearest and  
write much love from Dad &

Your loving  
Mom.

Dear Irie:-

yesterday Mom & I were in Albuquerque and we had a nice trip the car is in perfect condition has power to spare but we dont dare drive above 50 as the tires are worn out and we cant get new ones also no one can get a new car without priority, a fellow will have to wait for some time to get a new car, but you shouldnt worry about that as you can use the Family Car anytime you want it, we are sure counting the days of your Home coming - Mom & I are both well & Business is good

I hope this finds you well  
& happy. let us hear  
from you often and tell  
us all about China, did  
you meet any of the Jewish  
population there? what are  
you doing now and where is  
your base now.

Lots of love Dad
