Dearest Sonny:

No mail from you as yet this week and hope we will hear from you today or tomorrow as we are looking forward to your letters. Dad & I are O.K. Janita is coming in this morning as she has left for Japan. she was to get here last nite we gave Millie our car to go to Alk to pick her up as she came on the plane but she missed connections. How are you my sweet I hope well and in good spirits and how is everything in general with you?

We still don't know when Jerry will be here all we know is that it may be the end of the month. we are anxiously awaiting both of your home coming it will be a treat I can assure you to have our boys home with us.

The weather is just beautiful here and the foliage is gorgeous with all

the beautiful colours. + believe it or not we still
have a few Roses which is also a treat for
me as I hate to see them go,

Well darling I really don't know
what to say for the present so will close
with Loads of love to you my sweet from
Dad + your loving
Mom.

Dear Ivie:-

Everything is OK with us
Hope this finds you well + happy
What are you doing now? still transporting
Chinese troops? by right they should
do all the transport by rail or road.
and let your boys go Home.

but such is life. we must share
the good - the bad things -

please write more often if you can.
as the day we get your letter gives us
a lift. lots of love Dad
