Dear Lance:

On behalf of the New Mexico Jewish Historical Society, I would like to extend our deepest appreciation for your contribution of your family's papers.

I will forward them to Shirley Jacobson, the Society's archivist, for placement in the NMJHS archives at the New Mexico Records Center and Archives.

She will be in touch with you soon with regard to the other documents and photographs that you mentioned in your letter.

Once more, thank you for your contribution to a greater understanding of our community's past.

Sincerely,

Stanley M. Hordes
