Dearest Sunny:

It was so very good to get your letter Monday and Dad got your special Del last Sat and your call Friday made me very happy, to know that you are O.K. and pray you keep well and please dear write often as I was 10 days before Dad heard from you. We are very glad to know that you are going to advanced Mechanical school, and trust you will get to stay there for some time to come, even tho it is hot I guess we have the only climate only a few days ago we had the heat on full force as we never have any Spring to speak of. Leah was here for dinner last nite we took her to the show and then to the Hospital she seems like a nice girl, I just wonder whether it is serious with her & Jerry he writes to her often

I called Mrs Shumberg she told me David went  
back to school and he weighs 175 at present & feels  
fine, How are you my dearest I hope well and how  
is the weight situation with you have you gained any  
weight lately. Have you had a chance to look up  
the Sgt as yet. Dad never wrote to us since he asked  
for your address and I don't know whether he got the  
Pkg he is a funny guy he thinks life is a one way  
street but it doesn't work this way, so whenever you  
rec a Pkg from anyone let them know that you rec it  
and I know that you always do so, Jenny told me  
that she had a letter from you thanking her for the  
cake did it come in good condition let me know what  
you would rather have cake or cookies and would  
you like some hard candy, Dad & I are O.K. and keep  
going this afternoon I'm going to a Tea from Star  
<sup>Maithy</sup> the Grand ~~mother~~ is here on her official visit. We  
spent a nice <sup>day</sup> in A.B. last Sunday your Mom went  
on a buying spree for herself I got me a Coat & Suit  
a Hat and I mean a large hat also some pretty blouses.  
I will be all dressed up and no place to go. Well dear I guess  
this all for now much love to you from Dad & your loving  
Mom.  
Dear Eric :- you shouldn't have ~~put~~ put in 2 \$ Bills, I mean  
particular about a \$... let us know if you can use money  
we will send it to you, sorry to hear that you suffer
