Oct 20,

Hi dear,

It was sweet of you to write us. Glad to know you're getting along O.K., altho it's a shame you might not be able to fly on account of the hay fever. Maybe it's for the best. — who knows?

How come you had a K.P. shift? were you a fed boy? or do they give you one just on general principals.

Everyone is fine here. We went down to Hot Springs for 3 days & Lou & I had a

25 mile ride on a motor boat  
up the lake. It was fun &  
I was thrilled because I have  
never been on one before.  
We're having a Birai Brith  
social tonite & you got a  
small roulette wheel, Bet you  
would enjoy it.

Where do you think they'll  
send you to school? Is it  
a fact or are you just  
guessing? Maybe you'd get  
to Florida after all.  
We're having nice weather  
this month so far.

Saw "Stage Door Canteen"  
last nite. It was cute, especially  
Ray Bolger.  
Bobbie is now a Bear Cub  
scout & is weighted down with  
pins & buttons.  
Write when you get a chance.  
Love from all of us, Millie
