Dearest Doro,

Haven't answered you sooner because I didn't want you to feel you had to write too often. We've also been pretty busy with the Xmas rush. Next week will be awful, I guess.

Am very happy about Sid going to be married altho the rest of the family aren't too excited. Well, I guess they don't love him as much as I

do.

Hope you find out soon what you're going to do. Hope you can stay around this part of the country anyway.

Are you still going to services Friday nights?

As far as the Poker is concerned
if I were you I'd lay low.
It's dangerous when you get
started. Louis brother got in with
a crowd & lost his whole
check one month.

I'm going to buy your sled
for the boys. They're getting so
darned big they've outgrown
theirs since last year.

Sid Hartog may be up here
for Xmas. Wish you could
get home but I guess you
don't have any time off. Was
expecting Marcia but she
couldn't get reservations
till Jan. 15. Was disappointed
but it couldn't be helped.
Hope you keep well dear,
Love from all of us
Millie
