BORSCHOW VISITS
IN NEW MEXICO

ALBUQUERQUE: Sidney Borschow, District Second Vice President, El Paso, Texas, left District Seven territory Sunday, November 14th to cross over to District Two Territory, as the guest speaker at the Albuquerque, New Mexico Lodge's Membership Campaign Kickoff.

According to a recent survey made by the B'nai B'rith Supreme Lodge Staff Albuquerque was one of the few, if not the only city in District Two, which showed an increased Jewish population rather than a declining one. Presently there are 256 members in the Lodge, with a minimum of some 400 "hot" prospects.

It is hoped that District Seven's efforts in recruiting members will continue as vigorously as in the past, and that the success we have experienced will be continued.
