WHY: This is the kickoff event for the rebirth of Temple Aaron. After the painful decision was made to temporarily close the synagogue in 2016, a small but dedicated group began working to keep Temple Aaron in Jewish hands, raise funds to maintain, repair, and endow the building, create a 21st century congregation with members from Boulder to Albuquerque and beyond, and hold monthly religious and secular events. A website and social media campaign are in the works as well. Our Jewish history is worth saving---Please join us!!!!
