Dear Son:

Just a few lines. Hope you are O.K. We are as usual. I am at school as you will guess. Please excuse pencil. Hope you are still having a good time over there. Surely hope your ship will be on the way back to the States shortly, if it is not already. Irving Bell is over in Shanghai, also. His Dad died a few days ago. We just has Regas 13 to 6. Everything going O.K. in school. We had no school on Monday, the 12th and we are out Fri & Fri of next week. Wesley is still having woman trouble. So, do not write about him. All for now. Be good & so long.

Love
Dad
